White Rose Maths

1 Mary has some flowers.

She gives her mum 12 flowers.

She has 9 flowers left.

How many flowers did she have at the start?

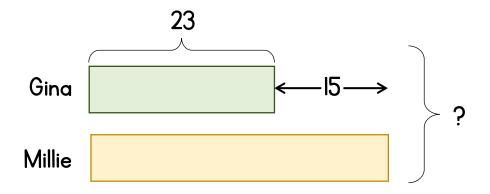

Hanna has 15 flowers.
7 of the flowers are white. The rest are red.
How many red flowers does Hanna have?

Gina has 23 strawberries.

Millie has 15 more strawberries than Gina.

How many strawberries do Gina and Millie have in total?

Gina has 23 strawberries.

This is 15 more than Millie has.

How many strawberries are there altogether?
