

# **ST. PETER'S ROMAN CATHOLIC** **PRIMARY SCHOOL**

## **BISHOP'S VISION**

Our vision, then, is founded on the Gospel of Jesus Christ and the teaching of the Catholic Church. In our school, we seek to lay the foundations for every child's spiritual development and to put Christ and his teachings at the centre of their education.

We seek to improve the life chances of every child by raising their aspirations. This is not for personal gain, but so through education they may come to serve their brothers and sisters in our world, especially the vulnerable. Furthermore, following the teaching of Pope Francis, in his encyclical *Laudato Si*, we wish to inspire our young people to care for the earth, our common home. We want our young people to leave our schools inspired to be 'agents of change,' to work towards building the kingdom of peace, love and justice.
