*Through Jesus we love, we learn and we grow together*

7<sup>th</sup> November 2022

Dear Parents / Carers,

We look forward to another exciting term at St. Peter's; the children are energised and ready to learn. Our whole school community values the contribution every child brings which makes our school a happy and harmonious place to learn and work. Everything we do is rooted in the Gospel Values:

*Humility  
Compassion  
Kindness  
Justice  
Forgiveness  
Integrity  
Peace  
Courage*

At St Peter's, learning is our core purpose and we grow together for a better future; we champion challenge and learning within a safe environment to educate our children.

**Attendance:** Please can we remind parents/carers to contact the school office before 08.40 am if your child is not able to attend school and provide a reason for this absence. This is extremely important as we have a safeguarding responsibility to account for every child on each school day.

**Holidays during term time:** Please refrain from booking holidays during term times, especially in relation to the quarantine measures. Any holiday taken will not be authorised and the absence will affect your child's learning.

**Parking:** We regularly receive calls from local residents to complain about cars blocking driveways or parking dangerously at the beginning and end of the school day. We are in contact with our local PCSO's who will make random checks in the future. Always remember that if you do not park in a sensible manner you may well endanger the life of a child or adult. The children's safety must be paramount, and we would urge you all to try and be considerate to other road users, as well as to pedestrians and residents, when finding a suitable parking space. Thank you for your co-operation.
