**1** Work out the missing values.

$$\triangle \times \triangle = 25$$

$$\heartsuit + \heartsuit = 16$$

$$\triangle \times \triangle \times \triangle = \boxed{}$$

$$\heartsuit + \heartsuit + \heartsuit = \boxed{}$$

2 Jill has a strip of paper.

She cuts off $\frac{1}{2}$ of the strip and throws it away.

She cuts of $\frac{1}{3}$ of the remaining strip and throws it away.

The length of the strip left is 18 cm.

What was the length if the strip at the start?
