

KSI Problem of the Day

Thursday 22nd March 2018

1 Max has some apples.

Here is a quarter of his apples.

How many apples did he have in total?

2 Sol has 75 grapes.

He eats 12 and gives some to his mum.

He has 40 grapes left.

How many does he give to his mum?

3 Work out

$$5 \text{ ones} + 3 \text{ ones} = \square$$

$$5 \text{ tens} + 3 \text{ tens} = \square$$

$$5 \text{ tens} + 3 \text{ ones} = \square$$

$$5 \text{ ones} + 3 \text{ tens} = \square$$
